

Life of Jesus

Fascinating facts:

Jesus went to Israel, Egypt, Lebanon, Syria, and Jordan. He came within 20 miles (33 km) of Beirut, Lebanon.

He was born in the West Bank region (where Bethlehem is today).

Mary and Joseph took Baby Jesus to Egypt (probably less than 150 miles) to escape King Herod's killing of baby boys in Bethlehem. When Jesus was 12, he walked 64 miles (103 km) from his home in Nazareth to Jerusalem for the feast of the Passover (Luke 2:42). Then he walked home with his family, making a round trip of 128 miles (206 km).
